The Pali Road.

ED. THE INDEPENDENT:-

Is there any Road Supervisor or any Superintendent of Public Works in Honolulu?

The question arises on account of the fearful condition of the Nuuant Valley Road (the old road). The new road may possibly be completed within the next two or three years, but in the meantime, and for the last twelve months, is it not a crying shame that the old road has been left in the condition in which it now is!

Two men at \$1 a day could in a week throw aside all loose stones and knock out all large projecting stones from the Electric Light house to the top of the Pali, and so at a cost of about \$12 put the road so much used by tourists and others in a reasonably passable condition which at present it is not.

In the interest of the public. Yours truly,

H. WEST. Honolulo, June 23rd, 1899.
